

INT. EQUINOX - HANGAR - SPACE

GALLA exits her ship after completing a dangerous raid on an outlaw haven. As she gets ready to exit her ship, SORREN stands nearby.

GALLA

Atlas is a little safer today!

SORREN helps GALLA down from her cockpit.

SORREN

Nice work.

GALLA

One day we'll be rid of these vermin once and for all.

SORREN

I admire your conviction.

Sorren reaches down for GALLA's mechanical LANCE.

GALLA

Oh, I'm sorry. I forgot you were once among their ranks. I'm glad you saw the error of your ways.

SORREN

I knew some terrible people while I was an outlaw. But I knew some kind ones too.

GALLA

I've lived through countless outlaw raids, and I've never seen kindness.

SORREN

They're fighters, that's for sure. Out there, so far from solid ground.

SORREN gestures to the window display on the HANGAR deck.

SORREN

You don't live long unless you do what you need to survive. I just mean, some had a reason to fight.

SORREN offers Galla her LANCE, and GALLA accepts it.

GALLA
I'm sure you had yours.
